

"Glorious" Lyrics [edit]
by Bryan & Katie Torwalt | from the album Here On Earth

5

[1]
Hope fills my soul,
and the love that you've shown
Brings refreshing like the rain

Peace floods my heart,
I've known nothing apart
Apart from Your goodness God
[chorus]
You are Glorious,
You are Holy, Holy
The heaven's shout,
You are Worthy, Worthy

My soul cries out,
You are Holy, Holy
The Nations will shout,
You are Worthy, Worthy
[2]

Your Love frees my soul,
and fear has no hold
For You have broken the chains

Now Joy fills my life,
Your Spirit Your Light
I'm undone by the Kindness of Christ
[bridge]
At the sound of our praise,
the heavens will shake
and the earth will move
