

"Greater Is He"

Through the battles  
Through the storms  
Through the struggles  
You are Lord

You lead me, You guide,  
You Love me and You give me peace

I was broken  
I was torn  
Then You held Me in Your arms  
Nothing can stand in the way of Your love

Greater is He (2x)  
Greater is He that's in me  
Greater is He

repeat verse 1

I declare I'm the head not the tale  
I declare I'm above not beneath (2x)
